

CITY OF *Sunfish Lake* MINNESOTA

ACKNOWLEDGMENT OF PENALTY FOR UTILITY LINE BREAKAGE

I/We understand that as a property owner or contractor/builder hired by a property owner in Sunfish Lake, I/we will be responsible for utility lines which are damaged or broken by contractors or builders within the City during site work and construction. The cost to repair a broken utility line will be the property owners responsibility and a \$1,000.00 fee may also be charged if utility lines such as gas lines or downed power lines require emergency vehicle assistance. The City of Sunfish Lake reserves the right to charge all costs or fees associated with utility line breakage/repair as an assessment against the property.
