

General Permit Information

Permits for Building, Plumbing and Mechanical work are permitted through the City Building Official. Click on one of the windows below for the applicable permit application. Mail complete permit application forms along with applicable documentation and check payable to "City of Sunfish Lake". Mail all to:

Mike Andrejka
c/o Lilydale City Hall
1011 Sibley Memorial Highway
Lilydale, MN 55118

Work started prior to obtaining a permit or contacting the Building Official may result in a penalty up to two times the value of the permit fee.

It is recommended that you contact Mike Andrejka, Building Official, by phone or email prior to mailing your application and payments if you are unsure about the fee amounts or have any questions – (612) 597-9667 or mike.buildingofficial@yahoo.com

Building Permits: Residential contractors must include a copy of their Minnesota Residential Contractors License or copy of exemption certificate, and a copy of their USEPA Lead Certificate along with payment.

Plumbing Permits: Contractors must include a copy of their Minnesota State Master Plumbers License and Minnesota State Plumbing Bond along with payment.

Mechanical Permits: Contractors must include a copy of their Minnesota State Mechanical Bond Certificate along with payment.

Demolitions: Demolition work that is not integral to a remodeling, addition, or alteration project, must obtain a demolition permit. Complete the building permit application form and submit along with a completed copy of the Dakota County Intent to Perform Demolition form that was submitted to Dakota County Environmental Services Division. The fee for a demolition permit is \$100.

Electrical Permits: Contact Mark Anderson at (952) 445-2840 from 7:00 AM to 8:30 AM, Monday through Friday, or the Minnesota State Board of Electricity.

Septic System Permits and Abandonment: Contact Ron Wasmund of Inspectron Inc. at (651) 322-6626.
