

Living Sculpture Tree and Shrub Care, Inc.

Forester's Report 8 31 2014

No burning permits were issued during August.

Two consultations regarding tree issues were made in response to resident requests and several telephone conversations were held regarding chickens, 6 Acorn Drive brush disposal, dead trees along Delaware Avenue, and mattresses placed on what appeared to be a burn pile along the north common driveway along Hornbeam Lake.

August was very quiet forestry month.

Jim Naves
City Forester
