[1] Securities with intra-day activity will not display information in the following data fields: Trade Date, Cost Basis/Current Face Value, Total Cost, Unrealized Gain/Loss $, Unrealized Gain/Loss % and Today's $ Change values. Securities with intra-day activity will also be displayed in italics.

[nc] Cost information for this tax lot will not be reported to the IRS. Unless otherwise indicated, cost for all other lots will be reported to the IRS. Please contact your Financial Advisor for assistance.

The market value for options is based on the current bid/ask. Where applicable, the change in price is based upon the last actual trade.

These valuations reflect securities or assets held in your account. The prices indicated are obtained from sources considered reliable, but may not represent actual market values. For bonds that receive principal paydowns, bond valuations may change before principal payments are received from the issuer. As a result, understated account valuations will appear on this page until payments are received. Payments are received from the issuer well before month-end statements.

Cost basis for fixed income tax lots has been amortized (for securities purchased at a premium) or accreted (for securities purchased at a discount), when possible, for applicable securities.

The Consensus Rating represents the majority rating of more than 700 financial institutions (brokers, investment banks and independent research firms) worldwide that follow a particular security. The consensus rating may not reflect the rating that Wells Fargo Securities, LLC, or Wells Fargo Advisors' correspondent research providers assign to a particular security, nor does it imply that Wells Fargo Securities, LLC, follows the security. To find out if Wells Fargo Securities, LLC, provides a current rating on a specific security, please contact your Financial Advisor.

Consensus Ratings are provided by Analyst Coverage. Wells Fargo Advisors did not assist in the preparation of the consensus information, and its accuracy and completeness are not guaranteed.

Please Note: During the late evening and early morning hours, weekends, and holidays, account balances may fluctuate significantly and not reflect accurate values due to pricing updates received throughout the night.

Estimated annual income/yield:
Estimated Annual Income (EAI), when available, reflects the estimated amount you would earn on a security if your current position and its related income remained constant for a year. Estimated Annual Yield (EAY), when available, reflects the current estimated annual income divided by the current value of the security as of the statement closing date. EAI and EAY are estimates and the actual income and yield might be lower or higher than the estimated amounts. EAY reflects only the income generated by an investment. It does not reflect changes in its prices, which may fluctuate. The information used to derive these estimates is obtained from various outside vendors. FCC and our Firm are not responsible for incorrect or missing estimated annual income and yields. Past performance is not a guarantee of future results.
