

Forester's Report 11 23 2015

Three burning permits were issued during November.

Completed City street clearance pruning including along Angell Road, Sunnyside Lane and Charlton Road.

Street ROW at 6 Acorn Drive has been seeded plus the Wildflower Demonstration Planting near the corner of Windy Hill and Salem Church Road has been seeded and the sign has been installed. Tree cages have been installed around 9 white pines and a balsam fir.

Consulted with various residents regarding burning permits, wild animal concerns, invasive species, wildflower and prairie installations, tree removal issues, and tree planting suggestions.

Met with builder at 240 Salem Church Road to discuss suggestions for tree and shrub species to install in naturalized area where fill was placed in the ravine.

Both Sunfish Lake and Horseshoe Lake are up to within 6" of their respective lake outlets. Water levels are quite high for this time of year.

Picked up and disposed of a dead deer and four vacuums dumped along 55th street.
