

## Forester's Report 12 31 2018

No burning permits were issued during December.

The Tree City USA annual application has been submitted.

Recent winter weather has not negatively impacted City trees.

No additional debris has appeared near the end of 55<sup>th</sup> Street. I remain in contact with the West St. Paul police department on this issue.

All in all a very quiet month in the City.

Jim Naves
