Forester's Report 3 30 2020

Four burning permits were issued during March including two that were issued electronically.

Street weight limit signs were put up on Friday, March 6.

Checked City trees along City streets several times during the month. No issues and no street-side dumping observed. Checked Sunfish Lake water outlet and Lake water level was about 1" above outlet level.

Consulted with Police Department regarding a tarp structure near the south end of Musser Park. It turned out to be children's play fort on private property.

Ice went out on Horseshoe Lake on March 29.

The Arbor Day Green Fair event has been cancelled, however baby trees will be for sale and family tree planting opportunities are still planned. Contact me at 612-803-9033 or jim@lstrees.com with questions.
