

Living Sculpture Tree and Shrub Care, Inc.
5900 Zehnder Road
Sunfish Lake, Minnesota 55077

August 1, 2020

Forester's Report 7 31 2020

One burning permit was issued during July.

Checked City trees along City streets several times during the month and monitored lake outflow of both Sunfish and Horseshoe Lakes. No dumping issues on Upper 55th this month.

Pruned trees along Zehnder Road to increase clearance over street.

Picked up and disposed of two tires dumped at the west end of Salem Church Road. Tires were recycled by Big O Tires in West St. Paul at no charge.

Spot Sprayed wild parsnip weeds in Musser Park. Wild parsnip sap will give a serious phytophotodermatitis (rash and blistering) if you are out in the sun after touching the plants. Infestation is greatly reduced from previous years.

Attended SFL Consultant meeting at 2150 Charlton Road regarding completion of home building project.

Collected lake water samples from City volunteers and will pass the samples on to the Met Council representative next week.
