Forester's Report 9 30 2020

No burning permits were issued during September.

Checked City trees along City streets several times during the month and monitored lake outflow of Sunfish, Hornbeam, and Horseshoe Lakes. No outflow is occurring from any of our three lakes currently.

A dumping incident on Upper 55th Street occurred during the weekend of September 26-27 and was reported to West St. Paul Police.

Mowing the trails and around young trees in Musser Park and along Salem Church Road near Windy Hill Road was completed.

Mowing roadway edges and the balance of the north Musser Park meadow was completed by Rough Cutt.

A survey of properties with lake water pumping equipment along lakeshores were completed for Sunfish Lake, Horseshoe Lake, and Hornbeam Lake and information forwarded to the Mayor and City Staff.

Several phone and personal tree consultations were conducted for City residents during the month. Most discussions centered on invasive species management and potential for tree removals.
