

Living Sculpture Tree and Shrub Care, Inc.
5900 Zehnder Road
Sunfish Lake, Minnesota 55077

October 31, 2020

Forester's Report 10 31 2020

No burning permits were issued for October.

Met with City Staff at 1 Sunfish Lane regarding final inspection questions.

Met with Landscape contractor for the building project at 369 Salem Church Road to be sure that the City and the property owner are still aligned regarding new trees that will be planted to mitigate the existing trees removed at the start of the project. No concerns at this time.

Checked City trees along City streets several times during the month and monitored lake outflow of Sunfish, Hornbeam, and Horseshoe Lakes. No outflow is occurring currently from any of our three lakes.

Checked for potential tree/street issues following October 19th snowstorm. No issues occurred.

Cutdown a dead Scotch pine adjacent to 85 Salem Church Road at the request of property owner since he was concerned that it might fall on the street if he cut it down himself.

Picked up water samples and delivered City lake water sampling kits to Met Council group for testing and storage.
