The proposed assessment roll is on file with the City Clerk and City Treasurer. The assessment roll is open for public inspection and is being mailed to all the above identified record owners of the parcels proposed to be assessed. The assessment roll will also be available for examination at the hearing.

OBJECTIONS AND APPEALS:

Written and oral objections will be considered at the hearing. Minnesota Statutes § 429.061 states that no appeal may be taken as to the amount of the assessment unless a written objection signed by the affected property owner is filed with the municipal clerk prior to the assessment hearing or presented to the presiding officer at the hearing.

An owner may appeal an assessment to the District Court pursuant to Minnesota Statutes § 429.081 by serving notice of appeal upon the Mayor or the City Clerk of the City within thirty (30) days after the adoption of the assessment and filing such notice with the District Court within ten (10) days after service upon the Mayor or the City Clerk.

SENIOR CITIZENS DEFERMENT:

Under Minnesota Statutes § 435.193 to 435.195, the Sunfish Lake City Council may, in its discretion, defer the payment of these special assessments (a) for any homestead property owned by a person 65 years of age or older for whom it would be a hardship to make the payments, (b) for any homestead property owned by a person who is retired by virtue of a total and permanent disability for whom it would be a hardship to make the payments, or (c) for any homestead property owned by a person who is a member of the Minnesota National Guard or other military reserves who is ordered into active military service [as defined in Minnesota Statutes Section 190.05, subdivision 5(b) or 5(c)], as stated in the person's military order's, for whom it would be a hardship to make the payments. When deferment of the special assessments has been granted and is terminated for any reason provided by law, all amounts accumulated, plus applicable interest, become due. Any assessed property owner meeting the requirements of this law may apply to the City Clerk on the prescribed form for such deferral or payments of these special assessments. If you qualify and wish a deferment, contact the City Clerk.

AUTHORITY TO SPECIALLY ASSESS:

The proposed assessments are to be levied pursuant to Minnesota Statutes, Chapter 429. The improvements are proposed to be assessed against the buildable unit tax parcels abutting or served by the improvements. The areas, parcels, lots and pieces or property, as specifically described herein, are subject to said assessments. The amounts set forth in this Notice are the proposed assessments. The City Council may levy and adopt special assessments that are the same or different than the proposed amounts.

PAYMENT OF SPECIAL ASSESSMENTS:

Once the special assessments are levied and adopted, the special assessments will be certified to the Dakota County Auditor to be extended on the property tax lists for collection with real estate taxes. Prior to this certification, however, the property owner may prepay the entire amount of the assessments without any interest thereon provided the prepayment is received by November 15, 2021. If the property owner wishes to prepay the special assessments without any interest, then such payment must be made to the City of Sunfish Lake at the City Treasurer's Office, Attention: Ann Lanoue, 8010 Corey Path, Inver Grove Heights, Minnesota 55076. Partial prepayment of the special assessment is not presently allowed under the City ordinances; the prepayment, without interest, must be for the entire amount of the special assessments.

If prepayment is not received by November 15, 2021, then:

- a.) the total principal amount of the special assessments will be divided into an equal number of annual installments. The proposed number of annual installments is ten (10). The number of annual installments will be decided by the City Council when the special assessments are levied.
- b.) The principal amount of the special assessments shall bear interest at the rate determined by the City Council when the special assessments are levied. The proposed interest rate is 3.0%.
- c.) Interest is proposed to begin to accrue from and after January 1, 2022.
- d.) The annual principal installments, together with interest accrued on the unpaid balance, are due and payable together with real estate taxes.
- e.) Interest on the entire special assessments, from January 1, 2022, to December 31, 2022 (the year in which the first installment is payable), is added to the first principal installment. The first installment will be due and payable in 2022.
- f.) If in the future the property owner wishes to pay off the remaining balance of the assessments, then Minnesota Statutes § 429.061, subd. 3 provides that such payment be made to the City Treasurer or to the Dakota County Auditor Treasurer, together with interest accrued to December 31 of the year in which payment is made as long as payment is made prior to November 15th; if the payoff occurs after November 15th, then interest for the next year is also added.

If the adopted special assessments differ from the proposed assessments as to any particular lot, piece or parcel of land, then the City will mail to the owner a notice stating the amount of the adopted assessments. Owners will also be notified, by mail, if the City Council adopts any changes in the interest rate or prepayment requirements from those contained in this Notice of Hearing.
