Forester's Report 5 27 2021

No burning permits were issued during May.

SFL Arbor Day was held in a socially distant fashion in Musser Park on May 1. During the day many residents stopped by to see the recycling information provided by our Recycling Coordinator, Cassandra Schueller; discuss trees and tree issues; buy baby trees; participate in family group plantings of 26 trees (6 groups); and otherwise enjoy a beautiful day outside. Deer protection for trees was completed on the following day due to heat/humidity issues.

Resident consultations at 100 Windy Hill Road, 10 Acorn Drive, 2058 Charlton Road, 15 Suunyside Lane, 369 and 389 Salem Church Road and 1 Sunfish Lane. Staff discussions regarding lake water pumping and lake water levels, vegetation issues along lake shore areas, invasive species removal, emerald ash borer, etc.

Checked City trees along City streets twice during the month and monitored lake outflow of Sunfish, Hornbeam, and Horseshoe Lakes. No outflow was occurring recently from any of our three lakes.
