

Living Sculpture Tree and Shrub Care, Inc.
5900 Zehnder Road
Sunfish Lake, Minnesota 55077

September 30, 2021

Forester's Report 9 30 2021

One burning permit was issued during September.

Consultations at 2162 Charlton Road, 2144 Charlton Road, 114 Salem Church Road, 390 Salem Church Road, and 5495 Robert Trail.

A tree was removed from Acorn Drive following the storm on September 17th. Trees on power lines were called in on Zehnder Road and on Charlton Road.

Trunk protector tubes were installed on young trees in Musser Park.

Street clearance pruning was begun along 55th Street to improve sight lines and create a more open and used feel after someone went 4-wheeling through City and First Calvary Church property at the west end of 55th Street. There is still buckthorn removal and overhead branch pruning yet to complete.

Checked City trees along City streets twice during the month and monitored lake outflow of Sunfish, Hornbeam, and Horseshoe Lakes. No outflow was occurring from any of our three lakes, in fact they are all down to at least 2' below the normal high water marks. Recent rains have not brought lakes levels up significantly.
