

Living Sculpture Tree and Shrub Care, Inc.
5900 Zehnder Road
Sunfish Lake, Minnesota 55077

November 30, 2021

Forester's Report 11 30 2021

Two burning permits were issued during November.

Consultations at 39 Windy Hill Road and 341 Salem Church Road.

Checked City trees along City streets twice during the month and monitored lake outflow of Sunfish, Hornbeam, and Horseshoe Lakes. No outflow was occurring from any of our three lakes. Cold weather has allowed the three lakes to just barely freeze over with a thin skin of ice – none of the lakes have ice safe for any activity at this time. **PLEASE BE CAREFUL.**

Reminder from October:

Deer are being especially nasty rubbing trees this year, even to the point of stripping off trunk protection tubes and then damaging trees. Rabbits are hungry too and this is probably directly related to long drought conditions this summer. Protection of valuable plant material is strongly recommended.

Jim Naves
City Forester
