

Item 7b.**Sunfish Lake Engineer's Report for December 7, 2021**

By: Jeff Sandberg, PE
City Engineer

Date: November 30, 2021

1. Engineering Activities Undertaken in the Month of November

The following Engineer's Report reflects the Engineering activities undertaken this past month.

A. 2021 City MS4 Permit Renewal – The MPCA approved the city's NPDES permit as an MS4 City. WSB will maintain and manage the permit to ensure the city stays in compliance with permit requirements. As a part of the requirements, a public notice has been posted on the city's website that outlines activities from 2020 and provides opportunity for public input.

B. Meetings Attended – Staff attended the following meetings in November:

- Dakota County Regional Visioning Plan Update

2. Building and Site Reviews in the Month of November

A. Staff conducted reviews for the following properties in November:

- 369 Salem Church Road: The as-built survey is completed, and staff performed a final site visit for the Certificate of Occupancy process. Modifications of the stormwater pond are being made prior to issuance of the final Certificate of Occupancy.

3. Public Works Activities Undertaken in the Month of November

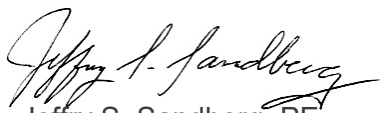

A. No Public Works activities were performed in November.

4. Anticipated Engineering/Public Works Activities for the Month of December

A. Staff will work with the city snowplow contractor to keep roads clear and safe. If residents find slippery areas on the city streets that need attention, please email your concerns to sunfishlakesnow@gmail.com and copy me at jsandberg@wsbeng.com.

The above constitutes the Engineering Report for the City of Sunfish Lake for December 7, 2021.

Respectfully submitted,

Jeffery S. Sandberg, PE
City Engineer
