5900 Zehnder Road
Sunfish Lake, Minnesota 55077

December 30, 2021

Forester's Report 12 30 2021

One burning permit was issued during December.

Lakes are again frozen over and ice fishing has been noticed on Sunfish Lake recently.

Tree City USA annual application was completed and forwarded to the National Arbor Day Foundation.

Checked City trees along City streets twice during the month and monitored lake outflow of Sunfish, Hornbeam, and Horseshoe Lakes. No outflow was occurring from any of our three lakes. Water levels remain at least 1-2' below ordinary high water mark.

Several Treeways articles are being prepared for the City website.

Will be soliciting several bids for ROW tree removals. Primarily ash trees heavily infested with EAB plus a couple other others that may pose safety risk near streets in the future. Plan for removals to occur during late winter.

Jim Naves
City Forester
