Forester's Report 2 29 2024

A very, very quiet February for Forestry in Sunfish Lake.

No burning permits were issued during February.

A reminder that Arbor Day this spring will be on Saturday, May 4.

Street weight limit signs have been put up.

Monitored of outflow of Sunfish, Hornbeam, and Horseshoe Lakes and no outflow was occurring from any of our three lakes.

It appears that the winter that wasn't is over. We could really use regular rains starting this spring to catch up from three years of drought and very limited snow this past winter.
