

Item 7**Sunfish Lake Engineer's Report for October 8, 2024**

By: Justin Messner, PE
City Engineer

Date: October 1, 2024

The following Engineer's Report reflects the Engineering activities undertaken this past month.

1. Engineering Activities Undertaken in the Month of September

- A. Corrective Asphalt Materials completed sealing the pavement on Charlton Road.

2. Public Works Activities Undertaken in the Month of September

- A. Staff conducted reviews for the following properties this month:
- 5940 Zehnder Road – Staff conducted a site review for septic system replacement and coordinated corrections to the site with the contractor. Final corrections have been completed. We are waiting on as-built information.
 - 5960 Zehnder Road – Staff conducted a site review for septic system replacement. We are waiting on as-built information.

3. Building and Site Reviews in the Month of September

- A. None.

4. Anticipated Engineering/Public Works Activities for the Month of October

- A. Staff have completed the pavement and culvert ratings throughout the city and are finalizing the report. We anticipate presenting the report at the November Council meeting.

The above constitutes the Engineer's Report for the City of Sunfish Lake for October 8, 2024.

Respectfully submitted,

Justin Messner, PE
City Engineer
