

Item 7**Sunfish Lake Engineer's Report for March 11, 2025**

By: Justin Messner, PE
City Engineer

Date: March 4, 2025

The following Engineer's Report reflects the Engineering activities undertaken this past month.

1. Engineering Activities Undertaken in the Month of February

A. None.

2. Public Works Activities Undertaken in the Month of February

- A. Staff have surveyed the outlet structure for Sunfish Lake off of Charlton Road per DNR concern. Staff are continuing to look into solutions to address the DNR's concern.
- B. Staff have received a quote for "Neighborhood Watch" signs for all public entrances to the City of Sunfish Lake. See Attachment 7A for quote request.
- C. Staff have received a quote for various signs throughout the City of Sunfish Lake. These signs show low reflectivity, visible cracking, and loss of color. This quote also includes the replacement of absent signage. See Attachment 7B for quote request.
- D. Staff are continuing to work with Jim and Nancy Naves to change their address from 32 55th St W to 42 55th St W.
- E. The City of Sunfish Lake follows MnDOT's timelines set for placing spring load limit restrictions. Road restrictions went into effect on Sunfish Lake city streets on March 3, 2025. City staff posted the necessary street signage. It is anticipated that road restrictions will come off sometime in April or May (dictated by MnDOT).

3. Building and Site Reviews in the Month of February

A. None.

4. Anticipated Engineering/Public Works Activities for the Month of March

- A. Staff will work with the City's snow plowing contractor to ensure that roads remain safe for travel. If residents find areas on city streets that need additional attention, they should email the contractor at sunfishlakesnow@gmail.com and copy City Engineer Justin Messner at jmessner@wsbeng.com.

The above constitutes the Engineer's Report for the City of Sunfish Lake for March 11, 2025.

Respectfully submitted,

Justin Messner, PE
City Engineer
