Forester's Report 5 31 2025

Hornbeam Lake, Sunfish Lake and Horseshoe lakes were not flowing out of their outlets on May 31.

No burning permits were issued in May.

Arbor Day event was held on Saturday, May 3. A beautiful sunny day so attendance was light, and three family groups planted 15 trees with the City Forester. The Mulrooney family again brought "tree" cookies this year decorated with brown icing tree trunks and green icing leaves.

Mowed north meadow in Musser Park. Invasive amur maple seedlings are becoming a much bigger problem in the meadow.

Met with Land Trust representatives in Musser Park for their annual walkabout and no issues were discovered. The Land Trust has provided two signs to be placed along Musser Park trails to identify the park as protected by the Minnesota Land Trust.

Removed a tree fallen onto Acorn Drive in a storm.

Photos are of the new Labyrinth Lane street sign and our new house number – thank you City Council for making the change happen!
