

Item 5G**Sunfish Lake Engineer's Report for July 14, 2026**

By: Justin Messner, PE
City Engineer

Date: July 7, 2026

This Engineer's Report summarizes the engineering activities during the month of June.

1. Engineering Activities Undertaken in the Month of June

- A. Staff have requested quotes for application of pavement rejuvenator on Zehnder Road, Grieve Glen Road, Sunnyside Lane, and Angell Road east of Sunnyside Lane as suggested in the current CIP.

2. Public Works Activities Undertaken in the Month of June

- A. Speed Hump Ahead signs have been ordered from Advantage Signs & Graphics and are scheduled for installation in mid-July. Signs will be installed 200 feet in advance of each speed hump in both directions.
- B. Staff coordinated sign installation for signs at the intersection of Salem Church Road and Roanoke Road and the intersection of Charlton Road and Highway 62.

3. Building and Site Reviews in the Month of June

- A. Staff conducted reviews for the following properties this past month:
- 4 Roanoke Road – Staff have reviewed and approved the latest submittal for this property for Major Site Plan.
 - 2130 Charlton Road – Staff have reviewed and approved the latest submittal for this property for Major Site Plan.
 - 2152 Charlton Road – Staff have conducted an erosion control inspection.

4. Anticipated Engineering/Public Works Activities for the Month of July

- A. None.

The above constitutes the Engineer's Report for the City of Sunfish Lake for July 14, 2026.

Respectfully submitted,

Justin Messner, PE
City Engineer
