Sunfish Lake Engineer's Report for September 8, 2026

By: Justin Messner, PE
City Engineer

Date: September 3, 2026

This Engineer's Report summarizes the engineering activities during the month of August.

1. Engineering Activities Undertaken in the Month of August

- A. 2026 Pavement Preservation Project – Staff solicited quotes for pavement rejuvenator application on Zehnder Road, Grieve Glen Road, Sunnyside Lane, and Angell Road east of Sunnyside Lane, consistent with the current Capital Improvements Plan. Corrective Asphalt Materials submitted the low quote in the amount of \$18,705.00, which is below the approved budget of \$34,000. Work is anticipated to occur on September 15, weather permitting. Staff will mail notices to residents within the proposed project area with project information and the anticipated schedule. The project will be funded through the General Fund and will not be assessed to residents.

2. Public Works Activities Undertaken in the Month of August

- A. None

3. Building and Site Reviews in the Month of August

- A. None

4. Anticipated Engineering/Public Works Activities for the Month of September

- A. No activities are planned for the month of September.

The above constitutes the Engineer's Report for the City of Sunfish Lake for September 8, 2026.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Justin Messner", is written over a horizontal line.
